Sub : Disconnection of access to Off-net calls from the residential service connections / mobile service connections of serving employees –reg.
Ref : Letter No. CGM/TNC/OF/2012-13 dtd. 13-5-2013

Kindly refer to the letter cited above, wherein order for disconnection of Off-net calls from all mobile service connections of all serving employees up to the level of SDEs/AOs has been conveyed.

In this connection, it is intimated that due to the presence of different Technology switches in our network, it is not technically feasible to bar Off-net calls from mobile numbers. However, all Off-net calls can be charged. On-Net calls beyond the free limit will also be charged. This is proposed to be implemented from 1-6-2013.

All are, therefore requested to send a list of Service Postpaid connections sanctioned and working up to the level of SDEs and AOs to the Billing Section, Tiruchi on or before 25-5-2013 for implementing the above modification. A soft copy in an Excel sheet as detailed below may kindly be sent to the below mentioned e-mail ids.

2. Designation
3. HRMS No.
4. Place of posting
5. Mobile number provided
